

Centre for Genome Biology

Department of Biological, Geological and Environmental Sciences
&
Department of Agro-Food Sciences and Technologies
University of Bologna

Friday 19/10/2012 – Anthropology Auditorium (v. Selmi 3)

At 10.00 Introduction of the authorities

Prof. Dario Braga Research Pro-Rector

Prof. Davide Pettener Director of the Dept. of Biological, Geological and Environmental Sciences

Prof. Andrea Segrè Director of the Dept. of Agro-Food Sciences and Technologies

At 10.30 Lectures (Chairman: Prof. Rita Casadio)

“A new gene definition in the post-genomic era”

Prof. Graziano Pesole

Biomembranes & Bioenergetics Institute – CNR, Bari

“Paleogenomics and the prehistory of Europe”

Prof. Carles Lalueza-Fox

Institute of Evolutionary Biology (CSIC-UPF), Barcelona

At 12.00 Description of some experiments

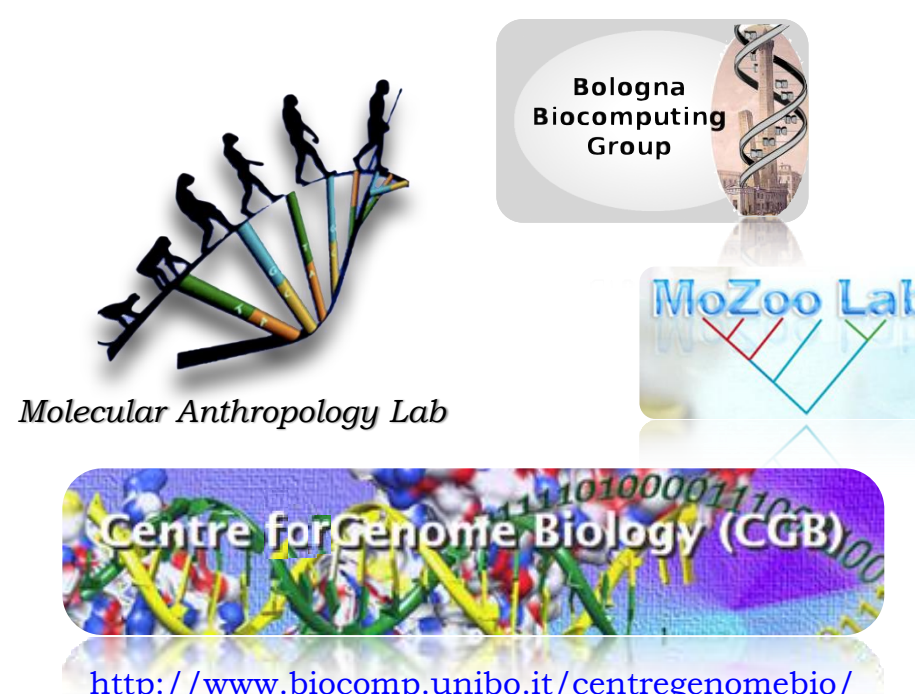

Prof. Luca Fontanesi Department of Agro-Food Sciences and Technologies

At 12.30 Visit to the laboratory

At 13.00 Buffet

Centre for Genome Biology founders:

Prof. Davide Pettener
Prof. Rita Casadio
Prof. Luca Fontanesi
Prof. Barbara Mantovani
Prof. Donata Luiselli
