

MASTER'S DEGREE COURSE (CLASS LM-6 – BIOLOGY)

ADMISSION REQUIREMENTS

To be admitted to the Master's Degree Course, it is necessary to have a bachelor's degree or obtain one before December 29th 2010. Admission to the Master's Degree Course in *Bioinformatics* also requires the assessment of adequate skills and competences through one's curriculum vitae:

If students are considered to have satisfactory skills and competences according to the evaluation of their CV

- They have immediate access to the Master's Degree Course

If students' skills and competences are not satisfactory according to the evaluation of their CV:

- They will be asked to undergo an interview.

Assessment methods for admission:

To take part in the assessment, candidates have to apply for the admission test at least 15 days before the registration deadline sending the following documents to the email address: scienze.lm-bioinformatics@unibo.it and lsbioinfo@biocomp.unibo.it

- Copy of the certification of exams and related credits achieved.
- Curriculum Vitae et Studiorum (the applicant must use the format downloaded from the University website, otherwise his/her application will not be taken into account) including the following information:
 - Detailed curriculum vitae et studiorum;
 - Title of the final examination or of degree thesis;
 - Declaration of intent: letter illustrating the motivation and professional and personal aspirations of the candidate in relation to the Master's Degree Course.

Candidates are assessed in the following way:

The student's Curriculum Vitae et Studiorum must show skills and competences:

- Mathematics
- Physics
- Informatics
- Chemistry
- And/or
- Biological/Biotechnological/Biomedical oriented knowledge

If not, the candidates need to undergo an interview in order to assess the necessary requirements to be admitted to the Master's Degree in Bioinformatics.

Students need to make an appointment for interviews.

The interview can also be made by telephone.

If the candidate does not show up at the interview when called, without documented reasons, he/she is excluded from admission.

Summary of deadlines

Registration deadline (no arrear payments)	November 30th 2010
Late registration (arrear payment due)	December 29th 2010
Application for assessment by mailing one's curriculum vitae et studiorum and self-certification of the academic titles to the address scienze.lm-bioinformatics@unibo.it and lsbioinfo@biocomp.unibo.it	At least 15 days before the registration deadline.
Communication of satisfactory evaluation for registration	Day after the registration deadline
Interview	Appointment to be made by students
Interview results	At the end of the interview
